Introduction

Mentor-Mentee Program is an extra area granted to pupils for their overall growth under the watchful eye of a mentor. Each student is directly supervised by a Mentor. This relationship helps students with character development, talent identification, moral support, value advice, career assistance, and character and personality development.

The Details of Mentor- Mentee Network are given below:

1. The mentor will take responsibility for monitoring and supervising a mentee's overall Progress.
2. There shall be at least two mentor/mentee meetings in a month
3. The mentor helps the mentees to realize their potential.
4. The Mentor must take efforts to solve the problems of Mentee related to the skill development, Career Planning etc.
5. Motivate students for participating in various activities conducted by self and other Colleges.
6. Gives support in the form of finance, books, and notes bank facilities to the needy students.
7. Advice & need based mentoring is done on personal issues of the students.
