

# **Memorandum of Understanding (MoU)**

**For Research and Developemnt**

**Between**

**Secondary Education Society's Arts and Science College Bhaload. Tal -  
Yawal, Dist - Jalgaon (NAAC Accredited "B" Grade, CGPA-2.08)**

**and**

**Bhusawal Arts, Science and P.O Nahata college, Bhusawal,  
Dist:-Jalgaon (NAAC Accredited "A" Grade, CGPA-3.30),**

**Secondary Education Society's Arts and Science college Bhaload . Tal - Yawal ,  
Dist - Jalgaon and Bhusawal Arts , Science and P.O Nahata college, Bhusawal,  
Dist:-Jalgaon, desired to develop MoU as follows:**

According to this MoU between **Secondary Education Society's Arts and  
Science College Bhaload. Tal - Yawal, Dist - Jalgaon and Bhusawal Arts, Science and  
P.O Nahata college, Bhusawal, Dist:-Jalgaon**

We hereby assure that we will provide Research facility, some characterizations and with Library facility to students and staff of **Secondary Education Society's Arts and Science college Bhaload. Tal-Yawal, Dist - Jalgaon** during executing any project or Action Research Project. The teachers having research experience and already have opted Ph. D Degree may counsel each other and work together on the research projects undertaken. The research findings are to be published in the international refereed journals with good impact factor by joint affiliation of the authors. If the original research carried out, the patent filed jointly. According to need and procedure, the research findings may be presented to National and International Conferences, Seminars or Symposia wherever necessary. Both the laboratories may organize jointly the National, International Conference or seminar related to the research area undertaken for Research. The Researchers, Research supervisors and interested students, may undertake the joint research projects in the any discipline of Chemistry.

We have already sanctioned Research Laboratory in Chemistry with Research guides guiding the Ph.D Students and having the infrastructural facilities and equipment's like UV-Visible spectrophotometer, Flame Photometer and other necessary for the research of Chemistry. At present 10 Students working for their Ph.D degree registered in our Research Center.

### 1) Period of MoU

This Memorandum of Understanding comes into effect from the date of its signing and will remain in force initially for five years. Its validity may be extended by mutual agreement between the two institutions.

### 2) Revision etc of MoU

This Memorandum of Understanding may be revised or terminated upon mutual consultation between the two Institutions.

### 3) Non-exclusive Nature of this MoU :

This MoU between Secondary Education Society's Arts and Science college, Bhaload . Tal - Yawal , Dist - Jalgaon and Bhusawal Arts , Science and P.O Nahata college, Bhusawal, Dist:-Jalgaon,

is and shall be non-exclusive in its nature for both the parties and shall not come in the way of either partner from collaboration with the third party.

In witness thereof, both the institutions have executed this MoU through their authorized representatives on this date 07 August 2018.
