**ARTS & SCIENCE COLLEGE BHALOD,**

Tal. Yawal, Dist. Jalgaon. (M.S) 425304

### Clean and Green Campus Initiative : Action taken Report

The N.S.S. department conducts tree plantation drive on the campus every rainy season. The trees are cultivated by watering them throughout the year. So the college campus is surrounded by evergreen trees.

Cleanliness fortnight is conducted on the college campus. The classrooms, Laboratories and the surrounding area is cleaned by the volunteers.

Besides the N.S.S. volunteers conducted cleanliness drive outside the college premises. The volunteers cleaned the premises of Primary Health Centre, (PHC) Bhalod.

The volunteers cleaned the premises of the Health checkup camp organized at Faizpur, a town 15 Km. away from the college location.

The volunteers constructed `Bandhara` (A Small Dam) to stop the water during the rainy season. This gave message of `Save Water` to the villagers of the adopted village, Amoda Tal.Yawal Dist.Jalgaon. This small irrigation activity contributed to increasing the water level under the earth.

Cleanliness drive helped to keep the areas of the college the medical checkup Camp sight at Faizpur and the PHC Bhalod premises clean and also helped to stop the spread of diseases.
